## Odyssey's Best: Record Store

Rock music continued to be both the focus and spokesman for the world of young people. Many Parkville students are serious collectors of music and regularly purchase rock albums. *Odyssey* found White Marsh Mall's Listening Booth as the top record store. Deciding factors for The Listening Booth are its prices and selection. Almost all current top albums sell for \$5.00 from a list of \$8.95. Most importantly, this store keeps a well stocked, updated catalog of the albums of almost all major artists. This factor is indispensable when trying to build a serious record collection and the complete catalog of major artists is available.

### TOP ALBUM RELEASES

Bruce Springsteen: *Nebraska*  
John Cougar: *American Fool*  
The Who: *It's Hard*  
Lionel Ritchie: *Lionel Ritchie*  
Bob Seger: *The Distance*  
Fleetwood Mac: *Mirage*  
Michael McDonald: *If That's What It Takes*  
Elvis Costello: *Imperial Bedroom*

Adding to her record collection is senior Erin Praglowski who makes a purchase at *The Listening Booth*. The store's outstanding stock of albums featuring the complete catalogs of all major artists makes it attractive to serious fans of rock music, many of whom have an array of hardware just waiting to "crank it up."
